CIRCULAR No. SS/CHD/2023/51

Date: 20.09.2023

Dear Parent

Please note if your ward is suffering from fever, cough & cold he/she should not be sent to school even during the CA/PT.

Please refer to point no. 12 of General Rules & Regulations of school.

* In case of illness or some other commitment children should not be sent school at all, even if there is any kind of tests. It is extremely unreasonable that children who are ill should be sent for tests.
