ORDER

In view of the continuing inclement weather conditions - to avoid the exposure of children to this extreme cold weather there will be no classes in physical mode upto Class V in any Government, Government-Aided and Recognised Private Schools of UT Chandigarh on 23rd, 24th and 25th January 2024. The Schools may organise online classes for these classes.

For Classes VI and above, given the weather conditions and the prediction for the week starting 22nd January 2024, the Schools may, for dates 23rd, 24th and 25th January 2024, consider conducting online classes, as opposed to physical mode. However should the School choose to commence physical class for classes VI and above, the School must take appropriate precautions so as to ensure that no child should suffer exposure to cold weather in schools or during their commute to and from school.

For any physical class on dates 23rd, 24th and 25th January 2024, the Schools of UT Chandigarh, shall open for students not earlier than 9.30 am and close no later than 4 pm. The Schools while regulating the timing for these classes must take into account the cold spell especially early morning and late evening and the time taken by the children for their commute to and from school.

The Schools may regulate the timings for their staff accordingly and must inform all concerned.
