Science Advanced **(Optional)**	
Punjabi/Hindi (**R3**)	**School Based Internal Assessment**
Art Education	
Physical Education And Wellbeing	
Skill Education - **AI**	**Board Examinations**

Important Points to Note

1. Students will appear for the Board Examination in the Skill Subject in Class X (2027–28). The marks and grades obtained in the Skill Subject will be reflected in the mark sheet issued by CBSE, as per the existing practice. An NSQF certificate will also be awarded to students who successfully pass the Board Examination in the offered Skill Subject.
2. If a student secures less than 33% marks in any one of the three subjects, namely Science, Mathematics, or Social Science, but passes the Skill Subject, the Skill Subject may replace the respective subject for computation of the Class X Board Examination result, as per CBSE provisions.

We request you to kindly go through the above details and take note of the changes in the Scheme of Studies.

Regards,
Principal
Saupin's School
