CBSE Update: Language Options for Class IX Students

Dear Parent

Greetings!

As per the latest guidelines received from CBSE, the **Three-Language Formula** will be applicable for students of **Class VI onwards from the session 2026–27**.

In view of this, **Class IX students will be exempt from studying three languages**. They will have the option to choose **either Hindi or Punjabi** as their language along with English. Thus, students will study **only two languages — English and either Hindi or Punjabi**.

Students may choose additional **Hindi or Punjabi as an optional language**, as per their preference (not mandatory).

As your consent for the same has already been received, **sections are being reorganized based on the language opted by the students**. A **new timetable** will be shared shortly.

We appreciate your cooperation and support.
